In December, REDgen organized a Teen Mental Health First Aid training which gave the participants the resources to support anyone who may be going through a mental health crisis, or who may simply want support with their mental health. If you see a red ribbon tied to someone's backpack, know they have completed this training, and are there to support whatever you may be going through. These could be struggles internally, such as stress or anxiety, or externally, such as friendships or substance misuse; whatever support you need, we're here for you! These conversations will be completely confidential, unless you believe you would hurt yourself or someone else, then we'll help you find a trusted adult. *See a red ribbon, know we're here to listen!*
